BOOST THE SCHOOL

MR. CARRINGTON ADVISES UNITY ALL OVER DISTRICT.

WAS WELL ATTENDED

Banquet of Commercial Club Tuesday Night Brought Out a Good Sized Crowd.

The Commercial club banquet held Tuesday evening at the Linville hotel in honor of W. T. Carrington, president of the state normal at Springfield, Mo., who has been in the city a few days in conference with President Ira Richardson, was a great success and was well attended. Nearly all of the members of the Normal faculty here were in attendance at the banquet.

Mr. Carrington spoke of what work he has seen the Normal here do, and that the school is now on its way of advancement and progress. He spoke highly of the new president of the school, Mr. Richardson, and that he was formerly connected with the Springfield normal for two years before coming to Maryville. Mr. Carrington took up the matter of unity or boosting for the school, not only here at home but all over the district.

W. A. Blagg, president of the board of regents, made the opening address of the evening, and spoke of co-operation on the part of the people in regard to schools, business enterprises, churches and social life. He spoke of the fact that the Normal was starting out well with its new president, that there was a better feeling toward the school here, and that the people were recognizing that there was a school here, doing as good work as any of the normals. He spoke highly of Mr. Richardson.

Ira Richardson, president of the Normal, talked briefly, and his address was well received. Others who made talks were the following members of the Normal faculty: Dean George H. Colbert, Harry Miller, E. A. Rock, county superintendent of Holt county; R. J. Spiekerman, superintendent of the Rock Port schools; G. H. Beasley, superintendent of the Trenton schools; I. J. Vogelgesang, county superintendent of Daviess county; M. G. Neale of Malden, Mo.; J. U. Croson, superintendent of the schools of Mound City.

E. C. Curtman presided as toastmaster, and while the dinner was being served excellent music was furnished by Maundling's orchestra.

UNITED PRAYER MEETINGS.

First M. E. and Presbyterian Churches to Have One Tonight at First M. E. Church.

The first united prayer meeting of the First M. E. church and the Presbyterian church will be held this evening at the First M. E. church, in charge of Rev. S. D. Harkness of the Presbyterian church. These meetings will be held during July at the First M. E. church and will be conducted by Rev. Harkness. During August they will be held at the Presbyterian church and will be in charge of Rev. Gilbert S. Cox.

INMATE WAS CAUGHT.

Man Who Escaped From Clarinda Asylum Was Found at Parnell Wandering Around.

An inmate from the Clarinda asylum at Clarinda, Ia., by the name of W. E. Burks, was caught at Parnell on Tuesday by Sheriff Ed Wallace. He was taken to Braddyville on Wednesday by Sheriff Wallace and the authorities of the asylum met them at that place and took Burks to the asylum. Burks escaped from the asylum about five days ago and has since been wandering around over the county.

TWO-CENT RATE SOON.

No Notice, However, Has Been Received by Agent Goforth or Agent Ferritor.

Two-cent rate went into effect at midnight Tuesday night on the Burlington, Wabash and Chicago & Alton railroads, according to the Kansas City papers, but up to this afternoon Local Agent W. E. Goforth of the Burlington had received no notice of the two-cent rate. He expects to receive an order on Thursday, which will become effective at once. Agent E. L. Ferritor of the Wabash had not received any order up to this afternoon in regard to the new rate.

At 12:01 o'clock the morning of the "gee-lorions" Fourth of July 2-cent passenger fares will become general over the remaining lines of the Rock Island and Missouri Pacific and all the other lines affected by the 2-cent fare decision.

The roads beside the Missouri Pacific that will put the 2-cent fare into effect July 4 are the Santa Fe, the Rock Island, Chicago, Milwaukee & St. Paul; Missouri, Kansas & Texas; Kansas City Southern, St. Louis & Iron Mountain; the Frisco system and the St. Louis Southwestern (Cotton Belt).

The only roads that may still charge 3 cents are the Chicago Great Western, the Kansas City, Clinton & Springfield and the Quincy, Omaha & Kansas City. John H. Lucas, representing the Kansas City, Clinton & Springfield, said that road, while permitted to charge 3 cents by the supreme court, would be forced to put 2-cent fares into effect to meet the competition of the 2-cent roads. Attorneys for the other two roads did not state what action they would take.

No definite date was set for establishing the maximum freight rates. The railroads have until the official mandate of the supreme court is received to place them into operation. However, attorneys for the railroads assured the state utility commission they would have the rates in effect not later than July 15.

Putting On Fire Bell.

The fire bell is being put on the hall building which has recently been remodeled. A steel tower twenty feet high is being placed on the building and the bell will be on top of this.

Returned From Eastern Trip.

Mr. and Mrs. E. L. Ferritor returned Tuesday night from their trip to Boston, New York and other points in the east.

CAN BE AVOIDED

GREATER CARE NECESSARY IN AUTOMOBILE DRIVING.

SIGNAL CODE NECESSARY

Turn to the Right, Keep Children Off Streets, Display Red Lights at the Rear, Etc.

Automobile accidents which are somewhat numerous in Maryville and all over the country can be avoided if greater care is taken. The following article from the Creston Advertiser-Gazette in regard to this matter is of interest:

In the first place there is too much speeding and reckless driving on the part of the automobilist and the motorcyclist, and on the other hand there is too strong a feeling existing on the part of the driver of the horse vehicle that simply because that form of conveyance was here first it has more right on the road than the motor vehicle. The latter is indeed a wrong idea, and as the automobiles and motorcycles are here to stay, and are increasing in number each year, and consequently the motor vehicle crank will have to take a back seat, and all persons who have occasion to drive on the public highways either by motor vehicle or horse vehicle had better start now and adopt every conceivable means of making it just as safe for one vehicle as another.

However, the autoist is coming more and more to realize that he owes it to himself, as well as to his fellowman, to tame down a bit and cease from burning up the roads and to maintain a speed and care in every respect that will be entirely safe and sane. And, too, the driver of the horse vehicle is awakening to the fact that his attitude toward the autoists and motorcyclists is not accomplishing anything in the way of diminishing the number of motor vehicles, nor is it keeping any of those that are already here off the road, but instead it is causing the number of appalling accidents to increase. While the autoist and motorcyclist is probably largely to blame in the majority of cases, yet it is not fair to blame all of the accidents upon him, as often times the driver of the horse vehicle which collides with the motor vehicle is equally to blame.

There is only one thing that will reduce the number of accidents, and that is to take more care. But the word "care" can be so construed as to take in a great deal of territory, and it should be observed to the letter. In the first place the drivers of automobiles, motorcycles and horse vehicles must understand one another on the public highway. In the first place they must understand that one has just as much right there as the other. Second, they must co-operate and work together in a simple systematic way. That is a code of signals must be adopted by which one driver might convey his intended movements to the other. For instance, there should be some uniform and generally recognized signal by which the driver ahead can tell the driver behind when he intends to stop or turn a corner, and which way he is going to turn. This may be done by simply extending one hand beyond the car and indicating the course the driver proposes to take. Many drivers are already observing rules of this kind, and especially in large cities.

Then there are many other rules that might be observed and should be observed. For instance, every buggy or carriage could well afford to carry a rear red light. The cost would be practically nothing, and it might avoid a serious and probably a fatal accident.

Children should do their playing in the yards. The streets on which automobiles and motorcycles are passing every few seconds is not the place to play games. Parents should see that no children stay out of the streets. Bicycle riders should take some street not thronged with automobiles to do their practicing of fancy stunts. Or, in other words, and to sum the whole situation up, if the general public will only use ordinary care most of the accidents would be avoided and hundreds of lives would be saved.

Had the simple rule which everybody knows—that of turning to the right in passing a vehicle coming toward you, and of turning to the left in passing a vehicle going the same direction—been strictly observed there would not have been nearly so many accidents.

It is the time right now to start to use every possible precautionary measure. A certain amount of accidents are bound to happen, and they cannot be eliminated entirely, but the number can be greatly reduced if every person will do his part.

Miss Doris Cummins and Miss Marie Murray went to St. Joseph Tuesday evening to visit Miss Cummins' brother, Max Cummins.

ARE TAKING PICTURES.

The Commercial Club to Exhibit Pictures of Landscape and the Wheat Crops.

The Commercial club is going to advertise the country of this county and how good it is for farm purposes, with a view to getting people to locate in the county. A party composed of E. C. Curtman, J. F. Hull and F. W. Crow, in Mr. Curtman's auto, went out Wednesday over the county and Mr. Crow took a number of pictures, such as the landscape, the wheat fields, hay fields and other crops. Such pictures are to be used by the Commercial club for advertising purposes in booklets.

STIGALL TO SPEAK HERE.

St. Joseph Lawyer to Be One of the Speakers at the Celebration in This City.

Louis V. Stigall, a law partner of Merrill E. Otis of St. Joseph, is to be one of the speakers at the Fourth of July celebration in this city on Friday. Mr. Stigall is a very capable man and a brilliant and interesting public speaker. He took a considerable part in the last two national campaigns as a campaign speaker. He has been unusually successful as a practitioner and is a national officer of the legal fraternity of Phi Delta Phi, which is the largest legal fraternity in the country.

GRAHAM CHAUTAUQUA FRIDAY.

Civic League Provides Rest Room for Women—The Big Tent is Now Going Up.

The Graham Chautauqua begins next Friday, July 4, and lasts six days. The advance agent of the Chautauqua is in Graham now and is seeing to the erection of the tent and the making ready of the grounds.

The Civic league of Graham will furnish a rest room for women and children within the Chautauqua grounds. The room will contain chairs and cots, telephones, a place where lunches may be kept and a wash room. Those who use the wash room are asked to bring their own towels, as no towels will be furnished by the league.

The Chautauqua management also asks that the people bring their own drinking cups, for no public cups will be placed at the drinking places. Drinking cups will be on sale at the refreshment stand.

Paul Robey is visiting in Quitman with Sid Dean. He will return Thursday evening so as to be here for the Fourth of July celebration.

LADY SACKVILLE.

English Society Leader, Who Is a Defendant In The Scott Will Contest.

Members of the most fashionable set in London society crowded the probate court when the hearing began of the suit over the will of the late Sir John Murray Scott, who left nearly \$500,000 to Lady Sackville of Knole park, Kent, wife of Lord Sackville, a relative of the British minister at Washington from 1881 to 1889. Malcolm Scott, a brother of Sir John, opposes probate of the will on the ground that Lord and Lady Sackville used undue influence in order to obtain the bulk of the estate.

BEEF 20 QUARTERS

BARBECUE NEARLY TWICE AS MUCH AS LAST YEAR.

80 GALLONS OF PICKLES

Preparations Being Made to Feed the Largest Crowd Maryville Ever Had.

The two big ovens are built, and tonight twenty quarters of beef will be roasting, the decorating is almost done, the fireworks are waiting for the match, and the baby show is booming with a long list of entries. Maryville is waiting for the Fourth, a fair day and a crowd of visitors to have the biggest celebration in her history.

Frank Bolin and Martin Borrosch are preparing the barbecue feast again this year, and will be ready to feed more people than ever. Thirteen quarters of beef failed to satisfy the crowd last year, so seven more quarters were ordered this time. The beef arrived Tuesday noon and was put in cold storage. All twenty quarters will be put into the oven this evening and will roast until the morning of the Fourth. Fifteen bushels of potatoes will then be put into the ovens and will be taken up hot at noon when the dinner will be served in the courthouse yard. Seven hundred and fifty loaves of bread will be used in making the sandwiches, and a relish of eighty gallons of pickles will be used to top off the feast.

The decorating of the streets and buildings, as far as the work of Mr. Starin, the professional decorator, is concerned, is practically complete. The buildings which are covered from top to bottom with flags and bunting have occasioned many comments on their beauty. The front facade of the courthouse is elaborately hung with bunting, streamers and fine flags from tower to foundation. These decorations, with those on the white way poles and those which a number of merchants are putting up themselves, will make the business section of the city gay with color.

A number of men from Clarinda, Ia., were in Maryville Tuesday to inspect the decorations here and were so well pleased with them that they tried to get Mr. Starin to pack the remainder of his stock and go with them to Clarinda to decorate for the Fourth there. Mr. Starin would not leave his work here, however.

Better Babies Contest.

Maryville merchants have decided to be in on the better babies contest, Lawrence Schumacher, the popular young bachelor member of the Schumacher grocery firm, taking the initiative step by offering a box of Maraschine cherries to the mother of the baby that scores the highest in the contest. Following are the prizes to be given in the contest:

Class A—For best baby, boy and girl, 6 to 18 months old, \$5 in gold to each; second prizes, Raines Bros., silver baby spoon to the boy and Dechauer, silver baby spoon to girl.

Class B—Eighteen months to two and a half years old, \$5 in gold to each; second prizes, child's dress to boy by D. R. Eversole & Son, and child's dress to girl by Alderman-Yehle dry goods store.

Class C—Two and a half to three and a half years old, first prize \$5 in gold to each; second prize, child's rocker by the Maryville Furniture Co. and Price & McNeal to each.

Class D—Best scoring pair of twins, first prize, half a dozen fine pictures by F. R. Marcell; second prize, two pairs of shoes from Bee Hive shoe store.

Sweepstakes—For the highest scoring child, the Parle Drug company will give to the father one box of cigars, while the mother will be given a box of Maraschine cherries by the Schumacher grocery store.

The children entered for the contest from Tuesday afternoon to Wednesday afternoon were:

Edward William, son of Mr. and Mrs. Peter Dietz.

Virginia Lee, daughter of Mr. and Mrs. D. E. Thompson.

Doris Almeta, daughter of Mr. and Mrs. George Wallace.

Dora Eleanor, daughter of Mr. and Mrs. Sidney Masters.

Jay Franklin, son of Mr. and Mrs. Mark Hanna.

Helen Isabelle, daughter of Mr. and Mrs. Ed Hamlin.

Mildred A., daughter of Mr. and Mrs. R. L. Brown.

Jean Hope, daughter of Mr. and Mrs. Byron Frost.

Della Irene, daughter of Mr. and Mrs. Lemuel P. Cain.

Teddy Lee, son of Mr. and Mrs. Fred Norris.

Delmar, son of Mr. and Mrs. Ed Schaefer.

Cecelia Darlene, daughter of Mr. and Mrs. Art Garten.

Orvel, son of Mr. and Mrs. Sherman Reynolds.

GOOD RAINFALL DURING JUNE.

Only 2.8 Inches Fell and the Maximum Temperature Was 98 Degrees On Three Days That Month.

According to the monthly weather report of J. R. Brink for the month of June, the rainfall amounted to 2.8 inches. As compared with June, 1912, the rainfall amounted then to 2.11 inches and in June, 1911, to 1.95 inches. The greatest downfall was on the night of the 24th, when 1.60 inches was recorded.

The report shows that the hottest days were on June 16, 17 and 18, when the mercury climbed to 98. The lowest temperature of that month was 41 above, on the 10th. There were twenty clear days, eight cloudy days, and two partly cloudy days.

LIKES HIS WORK.

J. W. Morris Well Pleased With His Job in St. Joseph—Hired Help May Be Obtained Through Him.

J. W. Morris, formerly of this city, but now of St. Joseph, being assistant superintendent and clerk of the state free employment office of that city, in a letter to this paper says that he is well pleased with his work. He states that Nodaway county farmers that are in need of help at this time may possibly obtain same by telephoning to him at 119 North Seventh street.

In Mr. Morris' report for his first month of June the total number of applications for help were 572, and the total number filled was 305, and the total number unfilled was 267. The total number of females filled was 27 and the total number unfilled was 39.

STAMPING IS ABOLISHED.

Many Complaints Have Been Sent to Washington About Late Back Stamping of Letters.

The longest and loudest wail of distress heard by the new Democratic administration has reached Washington from thousands of small cities, villages, hamlets and other centers of rural America. It is a cry of protest against the action of Postmaster General Burleson in abolishing the back stamping of letters.

Formerly a postmaster was required, as soon as he opened a mail bag, to stamp letters on the back with the date and hour of arrival, and then to sort them for delivery. Mr. Burleson thought this practice consumed too much time and he ordered it omitted.

The complaints have been sent to the effect that village postmasters are holding back the mail for their business competitors or their political or personal enemies. When back-stamping was required a postmaster could not withhold mail without being convicted by the silent testimony of the arrival date.

LITTLEBOYBURNED

SON OF MR. AND MRS. JOHN NOBLE OF CLYDE MAY DIE.

CAT TAILS FOR TORCHES

A Cup of Gas Used by Children at Play Ignited and Caught Boy's Clothing.

Dan Noble, the 5-year-old son of Mr. and Mrs. John Noble, living in Clyde, was probably fatally burned Tuesday evening about 7:30 o'clock while playing with the other children of the family.

Quite a number of the children of Clyde have been having fine sport lately by taking cat-tails they gathered from the branch at the edge of town and soaking them in coal oil and lighting them at night and using them for torches in processions they would form and play at celebration.

Tuesday evening John Noble, Jr., 10 years old, took a cup of gasoline out in the yard and dipped the cat-tail he carried in the gasoline and then lighted it with a match. When the gasoline had burned out, as he thought, he dipped it in the cup again, but a spark that was left caused the gasoline to ignite. The burning gas spread to the clothing of his little brother, who stood near.

Mrs. Noble was sitting on the porch, watching the children at play, and rushed to the child's rescue, but having nothing to throw around him to smother the flames, rolled the child in the grass. A neighbor came also at that time and threw a bucket of water on him, but his clothing was burned from the lower part of his body before the fire could be put out.

Dr. W. P. Stuckie, the attending physician has serious doubts as to the child's recovery. The little boy met with another accident three weeks ago by falling in a tub of water and was nearly drowned before he was discovered.

STRICKEN WITH PARALYSIS.

John Bailey in Serious Condition and Has Not Spoken Since the Stroke Overcame Him.

John Bailey, who lives at the east end of Lawn avenue, a brother-in-law of Mrs. John W. Airy, was stricken with paralysis Monday evening.

Mr. Bailey had been downtown Monday afternoon and apparently feeling well. That evening about 7 o'clock he went to the barn to do some work. Some time later Mrs. Bailey went into the back yard and saw her husband standing trembling in the doorway of the barn. He was trying to steady himself with his hands by holding to the door jamb. Mrs. Bailey called to him and asked him what was the matter, and he replied that he felt dizzy. She ran to his assistance, saw the condition he was in and called to the neighbors for help. They carried him into the house and summoned Dr. Cummins.

Mr. Bailey is in a serious condition and has not spoken since the stroke overcame him. Mr. Airy said this afternoon that the condition of Mr. Bailey was growing worse.

Mr. and Mrs. Earl Baldwin of Omaha arrived Tuesday on account of the illness of Mrs. Baldwin's mother, Mrs. Dennis Reynolds.

GUILFORD.

Robert Cordill, cashier of the Bank of Guilford, was seized with an attack of appendicitis Monday evening and is quite sick.

Peter Wolf unloaded his new threshing machine Tuesday. He will have two threshing machines at work this year.

M. Whiteford was a business visitor in St. Joseph Tuesday.

Dick Watson, with the E. C. Starin lumber firm of Guilford, and Miss Carrie Newcomer, also of this place, were married Sunday at Rea, Mo., by Rev. Stiller. They will make their home in Guilford.

C. P. Hanna has bought the 80-acre farm of Aaron Clevenger, near the Platte Valley church, paying \$130 per acre.

C. C. Reynolds has purchased a new Detroit car from a Kansas City firm.

The team of J. O. Thompson took fright Saturday at the automobile of Grant Richards and ran into the car. The wagon tongue came loose and was pushed under the auto by the running horses, carrying the car with them, a horse on each side of the car, when they loosened themselves finally, turning the car over. Strange to say, but little damage was done and no one was hurt.

Will Visit at Home.

Miss Sadie Woods of the Elite Millinery company will spend the Fourth with home folks at Red Oak, Ia. Her business for that day will be in charge of Miss May Farrar.

A NEW BALLET.

Blanket Ticket Will Be in Use Under
Law Enacted by Legislature
This Spring.

At the next general election in Missouri the blanket ballot, instead of the ribbon ballot, will be used. The last legislature passed a bill by Orr of Livingston county, which abolishes the ribbon ballot and substitutes the blanket ballot.

The new law provides that the names of the candidates of all political parties under proper party caption shall be printed side by side upon one ballot, the parties alternating in first, second, third, fourth, etc., placed upon the ballot. Under the present law each party's caption and candidates are printed upon a separate ballot.

The law provides if a voter does not want to support a candidate or candidates of his own ticket he may mark out their names and write in the name or names of his choice, the same as under the present law.

This new law prohibits fusion, a scheme to prevent the bull moosers from nominating the Republican candidates on their ticket.

WHY WOMEN SUFFER.

Many Maryville Women Are Learning
the Cause.

Women often suffer, not knowing the cause.

Backache, headache, dizziness, nervousness,

irregular urinary passages, weakness, languor—

Each a torture of itself.

Together hint at weakened kidneys. Strike at the root—get to the cause.

No other remedy more highly endorsed than Doan's Kidney Pills.

Recommended by thousands—

Endorsed at home.

Here's convincing testimony from a Maryville citizen.

Mrs. Mary Larrabee, 1203 East Third street, Maryville, Mo., says: "I had pains through my hips and back, and I was often dizzy and tired. After I used a few boxes of Doan's Kidney Pills I found relief and my health improved. This remedy has my highest endorsement."

Demott Sold Farm.

George Demott sold his 265-acre farm near Hopkins to George Ulmer, Jr., and James Strickler. Possession will be given next March.

On Visit to Children.

Mrs. Ellen Eslinger, living southwest of Maryville, left Tuesday evening on a month's visit to her children, Mrs. Hallie McLarnan of Kansas City, Mrs. Jessie Place and Emery Eslinger of Nevada.

Visitor From California.

Mrs. LeRoy Wolf of Los Angeles, Cal., arrived in Maryville Tuesday night on a visit to her mother, Mrs. S. E. Kelley. Mrs. Wolf came to Maryville from Chicago, where she had been visiting.

Will Put in Heating Plant.

H. C. Bower, the west side hardware dealer, went to Elmo Tuesday evening and met the public school board of that place in business session. He made a contract with the board to put in a new heating plant for the school building.

Leased Critchfield House.

Frank P. Reuillard has leased the Critchfield house on East Fourth street, which has been occupied by J. E. Bailey and family. Mr. Reuillard and family will move to that place on August 1, and Mr. Bailey and his family will move to West First street to the property he purchased recently.

Miss Ethel Tanner of Camden Point arrived Wednesday to visit until after the Fourth with Miss Elizabeth Tanner, who is attending the Normal.

Retreat from Moscow tonight at Fern.

Left for St. Paul.

Mr. H. M. Heath of St. Paul, Minn., who was called to Maryville to attend the funeral services of his son, Robert Heath, who died at Mason City, Ia., last Thursday, left for his home Wednesday evening. Mrs. Heath, who accompanied him, will remain for a longer visit with her daughter-in-law, at the home of her parents, Mr. and Mrs. John L. Ritze. Mrs. Robert Heath will go to Mason City next week to close up her business affairs, when she will return to Maryville to make her home with her parents.

City Council Tonight.

The regular July meeting of the city council will be held this evening instead of Friday night on account of the Fourth of July celebration. The salaries of the mayor and members of the council for the quarter will be allowed at the meeting. No other matters of importance are slated to come up.

Misses Lucile and Virginia Sheridan and Miss Genevieve Willman of St. Joseph, who have been visiting in the city for three weeks with Miss Ora Barnmann, returned home Tuesday evening. The young ladies have been honor guests of many social affairs while here.

Will Spend Fourth With Home Folks.

Mrs. I. J. Phipps and children went to Grant City Wednesday to visit over the Fourth with Mrs. Phipps' parents, Mr. and Mrs. W. W. Waugh. A brother and sister of Mrs. Phipps, who live at quite a distance, will be there, Lloyd Phipps of Newark, N. J., who has charge of the commercial department of the high school at Newark, and Mrs. N. J. Anderson of Jamestown, N. Y. Mrs. Anderson, formerly Miss Carrie Waugh, married just a year ago, graduated two years ago from the Northwest Normal.

An Informal Evening.

Professor and Mrs. E. L. Harrington will entertain the members of Professor Harrington's Sunday school class of the First Baptist church informally Wednesday evening. Their guests will include Miss Marie Jones, Miss Sara McMaster, Miss Alice Porter, Miss Hazel Everhart, Miss Lois Johnson, Miss Martha Denny, Misses Dora, Daisy and Maggie Allen, Miss Bernice Cast, Miss Mamie Loy, Misses Mildred, Lois and Doris Cummins, Miss Lottie Seideman, Miss Virginia Mathison, Miss Viva Cloud, Miss Lottie Walkup, Miss Ora Quinn, Misses Hazel and Bernice Sheridan and a former member of the class, Miss Myra Hall.

Is a Resident of the Philippines.

Miss Beth Wrentmore of Ann Arbor, Mich., who is the guest of her aunt, Mrs. A. B. Allen, went to Barnard Tuesday evening to visit other relatives. Miss Beth's mother, Mrs. C. G. Wrentmore, will join her daughter here on her visit the 15th of July, and they will leave here sometime in August for Manila, P. I., where they have been living the past five years. Mr. Wrentmore is a member of the faculty of the U. S. government university at Manila. The family has been on leave of absence for a few months, visiting in Ann Arbor, which they still regard as home. Mr. Wrentmore has returned to his work. Mrs. Wrentmore was Miss Mattie McFarland of Barnard.

Progressive Supper Tonight.

The Sigma Delta Chi sorority will give a progressive luncheon Wednesday evening, complimentary to the eleven new members recently added. The first course will be served at 5:30 o'clock at the home of Miss Ruby Lorraine, the second course with Miss Golda Airy, the third course with Mrs. Burt K. Lewis, the fourth course with Mrs. Emmett Scott, and the fifth course with Miss Nell Hudson, where the remainder of the evening will be spent. The new members who have been recently added are Miss Hinote, Miss Ellwood, Miss Mossberger, Miss Burks, and Misses Vesta Morris, Minerva Ward, Maurine DeHart, Nancy Lee Maxwell, Stella Davis, Fay Dryden and Hazel Ritchie, which gives this sorority a membership of twenty-eight.

Wrote Music for Whistle Song.

Miss Besse Scott of this city, who has just returned from a visit at Columbia, was the guest of Mr. Ernest M. Todd, at the home of his parents, Mr. and Mrs. George W. Todd, formerly of Maryville. The Todd family lived in Maryville about thirteen years ago and conducted a racket store on the north side of the square, and Mr. Todd was also a traveling salesman. They went to Columbia from here on account of educational advantages. Ernest Todd has just graduated from the school of journalism at the state university and is now taking the course in agricultural journalism and is teaching athletics in the summer school. He has been director of athletics in the summer school. He has been director of athletics in the high school while taking the university course. Mr. Todd is a member of the Mgm chapter of the Acacia fraternity. Several weeks ago he sent the words he had written for a new fraternity song to Miss Scott and asked her to set them to music, which she did. It has been favorably passed upon by Yale men and will be published and ready for use by the opening of the universities next summer. The title of the song is "The Acacia Whistle Song."

Back From Illinois.

Rev. H. J. Dueker, pastor of the M. E. church of Pickering, was in Maryville Wednesday on his way home from Redbud, Ill., where he was called by the illness of his mother, whom he left in an improved condition. Rev. Dueker noted that the crops in the section of Illinois in which he was were in very poor condition, wheat only being in a good state. He was glad for another reason to get back to this section of Missouri for the spirit of enthusiasm he finds among the people here was much lacking back in the Redbud section of Illinois.

PRESS BUREAUS INVESTIGATED

Operations of Interests' Publicity
Agencies Into Light—Sensations Are
Promised When Wall Street Men
Are Put on the Witness Stand.

Washington, July 2.—With witness-
es headed for Washington from many
directions to testify on the newest
development in the senate lobby in-
vestigation, Chairman Overman gave
a hint of further sensations in the
committee's activities. An inquiry has
been under way for some time, it is
understood, into operations of paid
press bureaus, conducted by large cor-
porations and "interests," and the
committee expects to determine to
what extent paid publicity agents are
employed to attempt to influence pub-
lic opinion or direct federal legisla-
tion.

The charges by Martin M. Mulhall,
former representative of the manu-
facturers' association, regarding his
lobbying operations, will not be for-
mally opened until next Tuesday. To-
day's hearing will be devoted primar-
ily to the testimony of Wall street
men believed to have information as to
lobbying activities in New York, in
which the names of congressmen were
freely used.

Busy Securing Information.
Developments indicated that officers
of the senate and members of the lob-
by committee have been secretly busy
for several days securing the new in-
formation, the nature of which is now
concealed. Senator Root, who went
to New York, is said to have acted for
the committee unofficially in obtaining
information and the names of desired
witnesses.

Interest centered again about the
charges involving many present and
former members of congress con-
tained in the correspondence Mulhall
has made public, covering his eight
years of service as an agent of the Na-
tional Association of Manufacturers.
Former Presidents Barry and Kirby
of that organization, who were to have
sailed from San Francisco for Aus-
tralia, cancelled their passage on the
demand of the senate officials and will
come to Washington to testify Tues-
day.

A demand will be made in the house
by Representatives Sherley of Ken-
tucky and Neely of Kansas for an im-
mediate investigation of the Mulhall
charges by that body. Both repre-
sentatives propose a special commit-
tee of five to take up the allegations
made by Mulhall that the manufactur-
ers' association financed campaigns,
elected and defeated congressmen,
dictated legislation and controlled the
makeup of committees.

The senate committee has secured
the Mulhall papers, however, and pro-
poses to hold onto them for its in-
quiry. A subpoena on Louis J. Selhold
of the New York World required him
to produce the mass of letters and
documents turned over to the World
by Mulhall and James A. Emery, rep-
resentative of the National Association
of Manufacturers in Washington, also
has been subpoenaed to bring all his
papers bearing on legislative activi-
ties.

INJUNCTION IS DENIED

Newspapers Have Right to Expose
Unfair Business.

New York, July 2.—A newspaper has
a legal right to expose a business
firm's methods of doing business, pro-
vided the motives of its publishers
are open to the belief that they are
in good faith exposing those who are
over-reaching the simple and abusing
the confidence of the credulous.

This was the substance of an opin-
ion handed down by Judge Hand in
the federal court denying a motion
made by the E. A. Stout Farm agency
for an injunction restraining the Rural
Publishing company from printing
threats to expose the plaintiff's busi-
ness methods.

"While editors are not exempt from
the common motives of other men,"
wrote Judge Hand, "they may, and in
this case did, entertain a general de-
sire to help their readers and expose
such as may practice upon their cred-
ulity. That is a very admirable pur-
pose in a newspaper. The refusal of
the plaintiff's advertising long before
this controversy became acute, is a
corroboration of that motive."

Industrial Workers Arrested.
Cheyenne, Wyo., July 2.—Fourteen
members of the Industrial Workers of
the World were arrested, charged with
attempting to intimidate the crew of
Union Pacific train No. 3 into carry-
ing free twenty of their companions.
The arrests were made on the com-
plaint of the train conductor, who
stated that the twenty men were put
on at Kimball, Neb., with the aid of
the sheriff.

Flies Over Lake Michigan.
Chicago, July 2.—Logan A. Villas,
an amateur aviator of Chicago, made
the first aeroplane flight across Lake
Michigan. His trip, made in a hydro-
aeroplane from St. Joseph, Mich., con-
sumed one hour and thirty-four min-
utes. Villas was accompanied by
William Pastar of Benton Harbor.
The course from St. Joseph is about
fifty-eight miles in length.

Tuesday afternoon in Maryville with
Mrs. G. Matter, who is in quite poor
health. Mrs. Baker and Mrs. Matter
are old friends and were neighbors for
many years during the residence of
the Matter family in Barnard.

Mrs. Lee Cowger of Coin, Ia., spent
the day Tuesday in Maryville and was
the guest of Miss Alene Henderson.

has been visiting with the family of
her daughter, Mrs. C. A. Barbour,
since last fall, left for her home
Wednesday morning.

Mrs. A. B. Pertuch of Hudson, Kan.,
who has been visiting her sister, Mrs.
Dee Callahan, went to Hopkins
Wednesday noon to visit another sis-
ter, Mrs. Wm. Walker.

Berney Harris wants to Reduce His Stock, that is why he is Slaughtering Prices

Don't forget that while the prices "are cut very deep" in this sale, all goods will be sold with my usual guarantee of "Money's worth or money back."

That all goods still bear the "original selling price" marked in "plain figures," so you can tell the exact saving. No other clothing store in Maryville does this.

This sale will remain on for ten days. You ought to come early and get your pick.

Get the Most for Your Money

"Mazda" lamps give three times the light for the same money. The old carbon electric bulb is obsolete and wasteful. It would even pay you to throw all the carbon lamps you now have in the scrap heap as you would save dollars by replacing with the "Mazda" lamps. Prices on the new lamps reduced until the original cost is almost as low as the carbon but in burning 800 hours a 32 c. p. "Mazda" will save you \$10.75 over the cost of operating the old 32 c. p. carbon lamp.

"REBEL YELL" WAKES ECHOES

Southern Vets Make Up Lack in Number by Lung Power.

ADDRESS BY GENERAL YOUNG.

Secretary of War and Pennsylvania Governor Also Speak—Fifteen Thousand Old Soldiers in Big Tent at Exercises—Mercury Above Hundred.

Gettysburg, Pa., July 2.—In the pitiless glare of a sun that sent the mercury bubbling over the hundred mark and made clothes a burden and a bath only a delusion, the armies of the north and the south began the formal exercises set to mark the semi-centennial of Gettysburg. Veterans to the number of 15,000, the army officers estimated, filed into the big tent set apart for the exercises, sat in the haze of heat for two hours and shook the camp with their cheers when the speakers made reference to a reunited nation.

Every seat under the canvas was taken long before Secretary of War Garrison and Governor Tener, the orators of the day, came chugging up in the automobiles. Although the men in gray were far outnumbered by those in blue, there were possibly a thousand southerners throughout the amphitheater, and what they lacked in numbers they made up in lung power.

Give "Rebel Yell."

When Governor Tener finished his speech, General Bennett H. Young, commander in chief of the United Confederate Veterans, rose slowly and bowed to him. "I can give you something that no one else can give you," he said. "We will now give you the rebel yell."

Nine famous Confederate generals and a thousand veterans of the south gave it so loudly that it was heard far back in the camp toward Gettysburg.

When General Young stepped forward to deliver his address he was greeted with wild enthusiasm, the Union veterans, led by Commander in Chief Beers, giving him three lusty cheers and a "tiger."

He took as his keynote the conviction of each side in the great struggle that it fought for a principle which it believed was the truth.

Over 50,000 in Camp.

Major Normoyle, second in command to Brigadier General Liggett, estimated that more than 50,000 men are quartered in a camp intended to hold 40,000.

The doctors were amazed at the way the veterans withstood the unusual heat. About thirty veterans were taken sick in the big tent during the exercises, but most of them were able to get up and walk away from the relief stations to which they were taken after a few minutes' rest.

MONEY IN UNCLE'S POCKETS

Surplus of Over Forty Million at the Close of Fiscal Year.

Washington, July 2.—Uncle Sam closed the fiscal year 1913 with a surplus of \$40,832,229, representing the excess of receipts over expenditures, exclusive of Panama canal and public debt transactions made. This exceeds last year's surplus by \$3,750,000. The Panama canal expenditures and public debt transactions, however, wiped out the surplus of ordinary receipts over ordinary expenditures and created a deficit for the year of \$2,149,000.

Total receipts for the fiscal year amounted to \$775,782,921, while the ordinary disbursements were \$683,699,692.

Corporation taxes yielded the government \$34,948,870, or \$5,365,766 more than during the fiscal year 1912. While custom receipts for the last few months have shown a decrease, as is characteristic of a tariff revision period, the total for the fiscal year reached \$318,142,000, an increase of nearly \$7,000,000 over the previous year.

The record drinking and smoking of the American people during the last twelve months brought the federal government the enormous total of \$309,478,000 in internal revenue receipts, which was \$16,500,000 greater than in 1912, and one of the highest amounts on record.

NEW CURRENT TURNED ON

"Juice" From Keokuk Dam Operates the St. Louis Trolley Cars.

St. Louis, July 2.—Electricity generated by water power at the dam across the Mississippi river at Keokuk, Ia., 137 miles away, was brought to St. Louis and, during the rush hours, two thirds of the street cars in the city were propelled by the new current, as were all industrial motors here, making St. Louis the largest city in the country operating with water power. By the end of this week practically all the street cars, motors and electric lights here will be so operated.

Notorman Sues Ex-Judge.

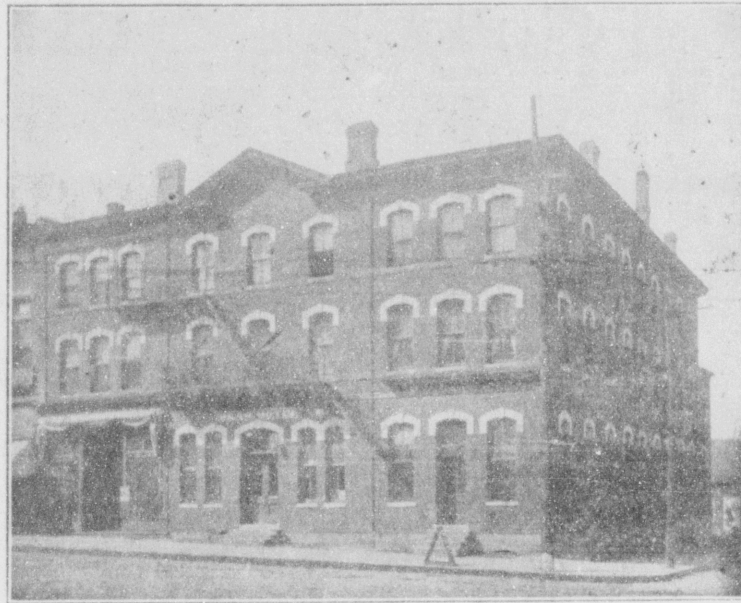

Joplin, Mo., July 2.—Former Judge Walcott M. Robinson of the Missouri supreme court was sued for \$50,000 by Charles B. Killingsworth, a street car notorman of Webb City. The charge against Judge Robinson is alienating the affections of Killingsworth's wife.

NEAR AGREEMENT ON TARIFF

Decisions on Important Contested Points Reached in Caucus.

Washington, July 2.—State Democrats approached a final agreement on the Underwood-Simmons tariff bill in caucus when they made the following decisions on important contested points:

Mutual life insurance companies were exempted from payment of income tax on premiums returned to policyholders in the form of dividends.

A stamp tax of one-tenth of 1 cent per pound was agreed to for all trading in cotton futures, the tax to be refunded where cotton is actually delivered.

An agreement was reached for a vote on the Hitchcock amendment, proposing a restrictive tax on tobacco production, to prevent monopoly.

The finance committee members held another meeting to decide questions referred back from the caucus. The caucus resumed work today, and it is believed the final paragraphs will be reached before night.

COTTON BROKERS

ARE AGAIN INDICTED

Grand Jury Returns New Bills

Against Patton's Associates.

New York, July 2.—William P. Brown and Frank B. Hayne of New Orleans, Eugene G. Scales of Texas and Colonel Robert M. Thompson of New York were reindicted by the federal grand jury, charged with criminal violation of the Sherman anti-trust law in connection with an alleged conspiracy to restrict the sale of cotton during the crop year of 1909 to 1910. Morris H. Rothschild of New York and Mississippi, a new defendant, was also indicted.

James A. Patten of Chicago, who pleaded guilty last February to the former indictment and paid a fine of \$4,000, and Charles A. Kittle of New York, who testified before the grand jury, were named as conspirators, but not indicted.

The new bill, containing but one count, covers practically the same allegations set forth in the former indictment of eight counts and handed down in July, 1910, and demurred to by defendants. It omits, however, the specific charge that the defendants conspired to operate a corner. This was done to meet views of Supreme Court Justice Van Devanter on the essentials of a corner as advanced in his opinion overruling the demurrers. Without describing their operations as a corner, the present indictments charge the defendants with shipping several hundred thousand bales of cotton out of the country during the four months ending Sept. 1, 1910, and says that their purpose was "to prevent actual cotton from becoming available to short sellers for delivery upon their contracts for sale."

The profits of the defendants, according to the old indictment, but not mentioned in this amounted to \$10,000,000 and cotton was advanced by them from 9 cents a pound to 20 cents.

The Summer's Vacation Where Shall We Go?

For children and for all who need a splendid rest among ideal surroundings, Colorado, with its clear skies and health giving, exhilarating air, with its glorious mountain scenery that lifts your soul clean out of the workaday rut, can hardly be equaled in the world as a place to build up health, and enjoy the keenest holiday pleasure from outdoor life.

Now it's my business to lend a friendly hand in planning trips to Colorado. I can relieve you of a lot of trouble. I can give you maps and pictures of Colorado and a hand book describing the comfortable hotels and boarding houses and what they charge. I can tell you how best to go and arrange for you all the details, and I would like to do it.

No charge, it is part of "Burlington Service." Call at the office or write for a copy of the free illustrated hand book.
